**Women of Wisconsin Woodland Owners Association (WOWWOA) Gathering**  
**Saturday, May 5, 2018 from 9:00 am to 3:30 pm at**  
**Mueller's Quarry Tree Farm, 20215 County Rd N, Arcadia, WI**

*Join us for a day of fun, learning, walking, listening, and sharing... We will spend this spring day at the beautiful Quarry Tree Farm in Trempealeau County with our hosts, Carl and Doris Mueller and their family. Muellers were named Wisconsin's 2015 Outstanding Tree Farmers of the Year, recognizing their exemplary efforts in creating a sustainable woodland. They have created wonderfully diverse wildlife habitats, controlled their buckthorn, created two erosion retention ponds to help prevent downstream flooding, thinned their pines, and planted oaks and walnuts. We will start the day with a welcoming presentation about their woodlands.*

*Enjoy their beautiful vistas, walk through their woodlands, see their retention ponds, and learn about the geological history of their land during a morning walk with UW-Extension Assistant Professor of geology, Jay Zambito. He is currently conducting research in the Arcadia Driftless Area (where we will be). Transportation will be available for those that would like a ride to the highlight spots.*

*Then enjoy a hot picnic lunch (as in the past—we will have plenty of good food!) with time to make new friends. Meghan Jensen, WI DNR Conservation Warden in Trempealeau County, will talk about her work as a warden and answer questions about your woodland concerns. We will wrap up the afternoon by learning how to do water sampling with UW-Extension's Randy Mell.*

*Join us for coffee and sweets starting at 8:30 am, with the program starting at 9:00 am in the polished at the Quarry Tree Farm near Arcadia. Arcadia is in Trempealeau County north of La Crosse County. We have also included hotel options for those wishing to drive over on Friday. See the next page for options, directions and a map.*
