10:30 am-Walk the Trails

Join us for some fun in the woods for the whole family! Take a walk through this award-winning property and learn about management practices and see how they use their ATV to bring logs from the woods to the landing area during harvest. There will also be a marked trail where you can test your tree identification skills and count rings on a tree cookie! Get all your forestry-related questions answered by experienced landowners and a DNR Forester! Bring a picnic lunch to complement the snacks provided and take in the sights and sounds of nature while you eat.
