

State WWOA

The state Wisconsin Woodlands Owners Association (WWOA) was established in 1979 to...

- Advance the interests of woodland owners and the cause of forestry.
- Develop public appreciation for the value of Wisconsin's woodlands and their importance in the economy and overall welfare of the state.
- Foster and encourage wise use and management of Wisconsin's woodlands for timber production, wildlife habitat and recreation.
- Educate those interested in managing Wisconsin's woodlands.

*Meeting the needs of today's
private woodland owners...*

WWOA Black Hawk Chapter

The Black Hawk chapter was founded in 1995 to complement the State WWOA purposes. The Chapter purpose is to promote and improve management of woodlands for timber production, habitat and recreation.

Benefits of Black Hawk Membership

- Co-sponsor field days and conferences to see and learn more about managing woodlands.
- Network with other people who have an interest in managing woodlands.
- Receive the Chapter newsletter, published before any major chapter event.
- Learn more about forestry, insects, forest pests and wildlife.
