

WWOA

NORTHWEST Chapter

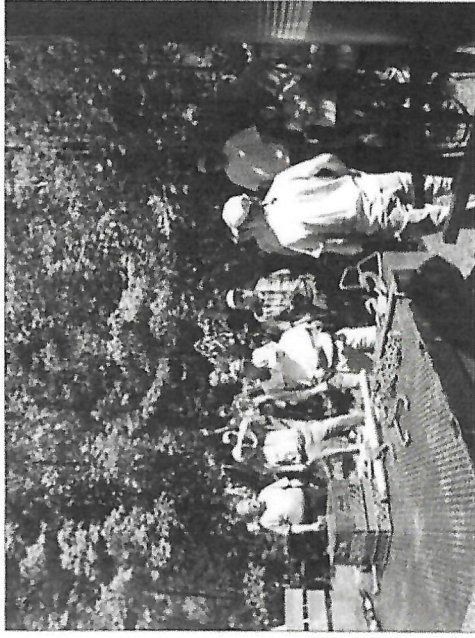

Wisconsin Woodland

Owners Association

It's All About

Woodland

Management

Are you looking for help or advice?

The Wisconsin Woodland Owners Association and its Chapters are committed to help and support private forest landowners in managing their land for all woodland benefits, now and in the future.

Covering the Counties of:
Ashland, Bayfield, Burnett,
Douglas, Polk, Rusk, Sawyer and
Washburn

Goals of NW Chapter WWOA

- ✓ To educate and acquaint owners in woodland stewardship practices and principles, while taking into account ecological, cultural, recreational and economic values
- ✓ To serve and advance interests of the members
- ✓ To promote public appreciation for the value of our woodlands to our economy, society, and quality of life
- ✓ To preserve the Northwest region's interests and objectives at the state level
- ✓ To work towards these goals in cooperation with the industry, government and non-government organizations

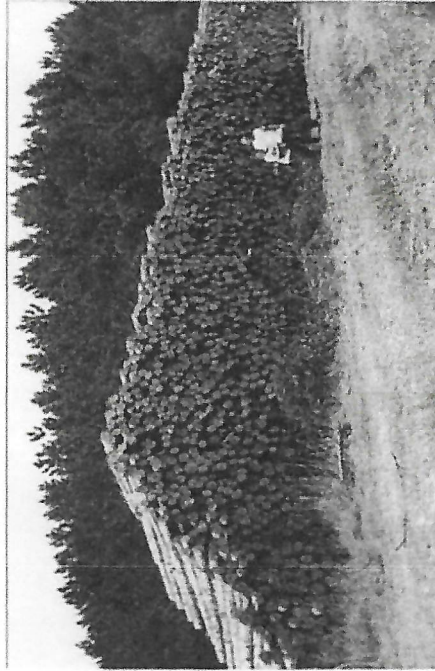

Membership is easy! Just send in the attached application. Voting members must own 10 acres. Associate membership (non-voting) less than 10 acres. You should be a member of the state Wisconsin Woodland Owners Association to be a NW Chapter member.

Visit WWOA's Official Website at:
www.wisconsinwoodlands.org

State WWOA, PO Box 285, Stevens Point, WI 54481, 715-346-4798

Woodland Owners are very special. They own over 60% of the state's forest land. Wisconsin's forests serve two principal economic benefits...tourism and the wood products industry. Private forest owners have a major role to play in state and regional land management, aesthetics, wildlife and the harvesting of woodlands. We, the WWOA Northwest Chapter, are the people faced with the same issues that concern you. We offer the friendship of those who have "been there" and are eager to share thru field trips and meetings four times a year.

WELCOME!
