WAHOO CHAPTER OF THE WISCONSIN WOODLAND OWNERS ASSOCIATION

Walworth, Washington, and
Waukesha counties

WAHOO CHAPTER HISTORY

Founded in 2015, the Wahoo chapter of WWOA is dedicated to providing woodland owners with resources and learning opportunities about how to sustainably manage their land. We do this in hopes that this knowledge will allow future generations to enjoy and appreciate the beauty and importance of our woodlands.

We welcome you to join us in creating tomorrows woodlands, today.

Find more information by visiting:
<https://wisconsinwoodlands.org/>

Follow along on social media:
<https://www.facebook.com/WisconsinWoodlands/>

BENEFITS OF JOINING

As a member of the Wahoo chapter, you'll have the opportunity to meet fellow woodland owners in your area, share experiences with one another about woodland management, visit other woodlands to gain inspiration and see how other folks are managing their properties, and meet other natural resource professionals!

BOARD MEMBERS

Kristen Summers
President
